

WINTRY BLASTS HAVE NO ERRORS FOR THE AQUEDUCT RACEGERS

Big Crowd Braves the Cold Weather and Cash on Two Favorites — Three Long Shots Get Home in Front.

Nevermore Takes the Cred-moor Stakes After a Good Race—Plater, the Favorite, Is Unplaced.

NEW YORK, Oct. 29.—Wintry blasts from Jamaica Bay had no terrors for the regulars and other racing enthusiasts, who, to the number of 7,000, went to Aqueduct today. The track was dry and fast, but just the same three long shots were sent over the plate, to the delight of their backers.

The Cred-moor Stakes, for two-year-olds, at five and a half furlongs, was the red letter event, in which eleven went to the post. Plater was the favorite because of his record-breaking performance at the distance up at Morris Park, but he finished far back in the race.

Nevermore made the running, with W. R. Condon in attendance for half a mile. Then Counterpoint showed in front, only to stop as he came on with Nevermore, who won by half a length in 1:10. W. R. Condon beat Lyman Hay by a head for the place.

Bonnhert a Surprise.

The handicap for all ages, at seven furlongs, afforded a surprise to the wise men, when Bonnhert, carrying top weight and nicely ridden by Spencer, got home half a length before Fire Eater, who was four lengths before Plater. The favorite, the Whiskey King, who never had a chance.

The special condition race, for three-year-olds, at a mile and seventy yards, was easy for Old Hutch, who galloped home four lengths before Lord Badger, in 1:47.2. They were equal second choices at two, with Hutteress, the favorite, running third, half a length back and a head before Essene.

Cameron at Odds On.

Cameron, the odds-on favorite, had no trouble in capturing the third event, at a mile and seventy yards. Martin rated him to the stretch, and then the Meddler colt collared Early Eve in a half in 1:46.4. Early Eve easily took the place, being five lengths before H. L. Coleman.

The handicap for two-year-olds, at five and a half furlongs, attracted a fine lot of youngsters to the post. Wax Candle made the running to the last sixteenth, where Cinquevaill, the favorite, under a hard drive from O'Connor, got up and won by half a length, with Wax Candle in the place.

In the fourth race, for four-year-olds and upward, Prince Richard, at 20 to 1, led from start to finish, and won, ridden out, by two lengths, from Kilogram, who beat the 60-to-1 shot, Bounteous, a neck. The time was 1:50.2-5.

WORLD'S TEAM PACING RECORD BROKEN

Ed Geers, Behind Fast Pair, Makes Time 2:05 1-2.

MEMPHIS, Oct. 29.—The second annual meeting of the Memphis Trotting Association is drawing to a close in a blaze of glory.

Another world's record was smashed today. Ed Geers, driving Direct Hal, the unbeaten son of Direct, and Prince Direct, sired by the same horse, to pole, rounded the course in 2:05 1/2, lowering the world's team pacing record of 2:08 1/2.

Direct Hal carried his big partner the fastest pair in Direct's history ever traveled for the distance, forcing him to break just at the finish. A large crowd was out and cheered the pair to the echo.

The Abbots, the former trotting champion, proved a great disappointment in his race with Chain Shot in the free-for-all trot. The gelding was not in condition for racing, and Chain Shot won easily.

The judges declared all bets off on the first heat, an unprecedented announcement.

TOM SHARKEY AGAIN RETIRES FROM RING

Sailor Pugilist Declares He Is in Earnest in His Resolve This Time.

Once again Tom Sharkey, the sailor pugilist and erstwhile aspirant for heavyweight championship honors, has retired from the squared circle. Sharkey says that his decision is final and that nothing could induce him to change his mind. This last retirement was caused by Sharkey's failure to induce Gus Ruhlin to give him a battle, and he says he is through with the game forever.

When Ruhlin complained of not being able to get any of the big fellows to meet him Sharkey consented to arrange a match. Ruhlin, however, showed no inclination to take on the sailor, and the latter has become much disgusted with the situation.

"You can say that I am through with the fighting game for good," said Sharkey last night. "I will never don a glove again. No, I don't care about big purses. I mean what I say, and could not be induced to enter the ring again for \$50,000. There is nothing in it for the big fellows any more. They prefer to pose instead of fight, and I am tired of the whole game."

mine workers before the commission. This afternoon he had a conference with District President Nichols and Walter E. Weyl, who has been assisting him in compiling the statistics for the mine workers.

They discussed the plans of presenting the miners' side, but made public no statement.

SCRANTON, Pa., Oct. 29.—District President Nichols and National Organizer Henry Collins will accompany the commission as the representatives of the miners, while they are in the Scranton district.

It is stated that Mitchell will not join the commission before they go to Wilkesbarre on Saturday.

MORE STATE TROOPS RECALLED FROM MINES

POTTSVILLE, Pa., Oct. 29.—Major General Miller, in a sweep—order issued from his headquarters here tonight at 9:30 o'clock, recalled twenty-one more companies of the State troops. This will leave but six regiments and four troops of cavalry of the State division still in service in the anthracite coal fields.

ROBBERS BIND MARSHAL AND WRECK BANK SAFE

Secure \$4,000 Booty in a Raid on an Illinois Institution.

CHICAGO, Oct. 29.—After overpowering the town marshal, five masked men forced an entrance to the Exchange Bank, of Gardner, Ill., a small town about fifty miles south of here, early this morning and wrecked the safe with explosives. Their booty was not less than \$4,000.

The marshal was captured and bound and gagged. He was thrown on the floor of the bank and watched the robbers blow the safe open. Several hours after he was found by a citizen and released.

There is no trace of the robbers.

STRIKE COMMITTEE PLANS COMMISSION INVESTIGATION

SCRANTON, Pa., Oct. 29.—The members of the anthracite strike commission reached Scranton shortly before 11 o'clock tonight and went to the Hotel Jermy, where fourteen rooms were engaged for their accommodation. They were met at the station by T. H. Watkins, of this city, who came home this morning.

The meeting was held in the office of T. H. Watkins, and those present were W. A. May, of the Erie Company, which includes the Hillside Coal and Iron Company and the Pennsylvania Company; Reese A. Phillips, of the Lackawanna Company; C. C. Rose, of the Delaware and Hudson Canal Company; S. Brinkerhoff Thorne, of the Temple Iron Company, and John R. Bryden, of the Ontario and Western Coal Company.

It was decided that the commission and party will be asked to take a special train from this city on the Delaware and Hudson road at 9:15 o'clock tomorrow morning. The party will proceed to Forest City, which is the northern limit of the Scranton district, and will then work back. They will visit such mines and such miners' homes as may be decided upon tomorrow.

It has not yet been decided whether the commissioners will take testimony in this section or not, but they are bringing their stenographers with them, and they may decide to take some testimony while on their trips. Mr. Watkins, when seen this afternoon, said that they are very likely to do this, but they will hold no formal sessions for the express purpose of taking testimony while in Scranton.

On Friday they will be driven about the mines of the city, and on Saturday will go to Wilkesbarre.

B. HILL NOT TO REPRESENT MINERS

WILKESBARRE, Oct. 29.—President Mitchell is not to be present at the first day's investigation of the commission unless he changes his present plan.

He decided tonight to remain here and finish the report of the miners' side of the controversy, which he hopes to be able to present to the commission early next week. When he will join the commission he cannot say, but the mine workers will be represented tomorrow during the day's tour.

He has not yet been informed of what the plans are for the day, nor does he know how long it will take the commission to finish its work in this region.

He denied the rumor that David B. Hill has been engaged to represent the
